Antioch College values and respects the learning that takes place during co-op terms, and actively discourages activities that distract from this endeavor. As such, the number of classes students are allowed to take during co-op terms is restricted. Students may use this form to request the privilege of registering for an additional class over co-op.

Students who do not meet all the following criteria may write a letter of petition to The Academic Policy and Review Committee (APRC) requesting an exception. Please submit your letter with a completed copy of this form to the Registrar, who will facilitate your request to the committee.

- Students must have successfully completed one Cooperative Education experience while enrolled at Antioch College, other than COOP 125T; and
- Students must have a GPA of 2.5 or higher; and
- Students must meet all requirements for registration for a class at the institution through which the course is to be taken (includes registration at Antioch College, cross-registration, or registration at a non-affiliated institution):
  - This includes being able to be physically present for any additional course that requires in-person instruction, in whole or in part
  - This includes access to the appropriate technology for any additional course that requires online instruction, in whole or in part; and
- Students may not register for more than 18 quarter credits in total, including the co-op course; and
- Students may not register for a class which conflicts with the expected work hours of the co-op job in any way.

Acknowledgement:
I am aware of the additional responsibilities required for taking a class while engaged in full-time employment. I am aware that I must balance these additional responsibilities with those required for the cooperative education experience in which I will be engaged, so that I may be successful in both classes. I am also aware that not being successful in one or both classes may create a need for additional terms of attendance beyond my intended term of graduation.

INSTRUCTIONS
After obtaining the required signatures below, return this petition to the Registrar’s Office by the end of the 9th week (Friday, 5:00 pm) of the regular term—Fall, Winter, and Spring—before the term of the intended additional class over co-op. The Registrar will then forward the petition to the APRC for consideration, if necessary. The decision of the APRC is final.
