Overtime

Like most successful organizations, we experience periods of extremely high activity. During these busy periods, additional work is required from all of us. Your Supervisor is responsible for monitoring business activity and requesting overtime work if it is necessary. Effort will be made to provide you with adequate advance notice in such situations.

Any non-exempt employee who works overtime will be compensated at the rate of one and one-half times (1.5) his/her normal hourly wage for all time worked in excess of forty (40) hours each week, unless otherwise required by law.

Employees may work overtime only with prior management authorization.

For purposes of calculating overtime for non-exempt employees, the workweek begins at 12 a.m. on Sunday and ends 168 hours later at 12 a.m. on the following Sunday.
