Non-Harassment

It is Antioch College's policy to prohibit intentional and unintentional harassment of any individual by another person on the basis of any protected classification including, but not limited to, race, color, national origin, disability, religion, marital status, veteran status, sexual orientation or age. The purpose of this policy is not to regulate our employees' personal morality, but to ensure that in the workplace, no one harasses another individual.

If you feel that you have been subjected to conduct which violates this policy, you should immediately report the matter to your Supervisor. If you are unable for any reason to contact this person, or if you have not received a satisfactory response within five (5) business days after reporting any incident of what you perceive to be harassment, please contact the next level manager. Note: If your Supervisor or next level manager is the person toward whom the complaint is directed you should contact any higher level manager in your reporting chain. Employees may also contact the Office of Human Resources if they are uncomfortable for any reason using the above procedure. Every report of perceived harassment will be fully investigated and corrective action will be taken where appropriate. Violation of this policy will result in disciplinary action, up to and including discharge. All complaints will be kept confidential to the extent possible, but confidentiality cannot be guaranteed. In addition, the College will not allow any form of retaliation against individuals who report unwelcome conduct to management or who cooperate in the investigations of such reports in accordance with this policy. Employees who make complaints in bad faith may be subject to disciplinary action, up to and including discharge. All employees must cooperate with all investigations.
