### Language Credit by Examination Policy

Students may qualify for placement into higher-level language courses on the basis of foreign language placement examinations administered by Antioch College. Antioch College does not accept credit by examination in languages from other institutions. Credit for lower level courses may only be awarded when the student completes an appropriate higher-level course with a minimum grade of B. Students may qualify to receive up to a maximum of 14 credits by examination. These credits count towards the maximum number of credits a student may transfer to Antioch College (for current limits on credit please see the “Transfer of Credit” policy in the current catalog). Students may request credit by examination for language courses only once during their time at Antioch College. Credit by examination is only available in the languages that Antioch College currently offers. Students who wish to use this opportunity to earn language credits should speak to their language advisors during orientation.

In order to take advantage of this policy, students should obtain a copy of the Credit by Examination Form from the Office of the Registrar. The form must be completed and returned to the Office of the Registrar by the third week of the study term following successful completion of the appropriate level course. This form will require the signature of the coordinator of the language program and the appropriate academic advisor. For example, a student who places in Language 140 could receive credit for Language 130, Language 120, and Language 110.
