Requirements for Admission

Antioch College welcomes applications from students who demonstrate strong academic abilities, creativity, a willingness to work hard and contribute to community, as well as those who exhibit determination, self-awareness and maturity. Most successful candidates for admission provide evidence of the following:

- A strong academic record
- Foreign language study
- Four years of English, math, science and social studies
- A history of work, volunteer and/or leadership experience
- Participation in extracurricular activities

Students must provide documentation of having completed secondary education prior to enrollment. Evidence may include official high school transcript, successful completion of GED, or a homeschool report.

Students are not required to submit SAT or ACT scores. Students may submit test scores if they believe their scores will provide the admissions committee with a full view of their academic accomplishments and ability. Otherwise, standardized test scores have no adverse impact on admission decisions.

Antioch College does not discriminate in its admissions decisions on the basis of race, ethnicity, color, religion, gender, gender identity or expression, sexual orientation, national origin, age, marital status, or physical ability.

Antioch College does not consider an applicant's financial situation when deciding admission.

Special Note for International Students: Antioch College is not currently approved to issue the I-20 Certificate of Eligibility for Nonimmigrant (F-1) students at this time.

Enrollment Deposit: The \$250 enrollment deposit secures a student's spot in the incoming class. The College recommends submission by May 1.
